Iron River Cable

Looking for a permanent, part time person to become an assistant technician. Good communication skills and familiar with Word and Excel is required. Send resume and references to 315 N. 2nd Ave., Iron River, MI 49935

City of Iron River

Seeking a full-time Superintendent with the DPW. This position offers competitive compensation and fringe benefits package. Applicants must possess supervisory experience, general mechanical and equipment operational skills, possess a valid CDL license, and be able to lift 80 pounds. Previous experience working with water and sewer systems, street maintenance, and property maintenance is helpful. An offer to the successful applicant is subject to an employment physical and drug panel testing. This position is open until filled. To apply, send application, resume, and include any record of certifications and trainings to: City Manager, City of Iron River, 106 W. Genesee St., Iron River, MI 49935 or email to: citymanager@ironriver.org

Bates Township

Seeking to fill a new additional full-time position in the Public Works Department. This position will be a “mentored position” and would require the Employee to obtain an L-1 Michigan Sewer Certification and an S-4 Michigan Water Certification. There is an extensive list of job responsibilities/duties which is available on the Bates Township website (www.batestownship.com) or by emailing your job description request to clerk@batestownship.com. Starting wage will depend on experience. A benefit package may be offered after the Employee becomes certified in the systems and has had a minimum of one year’s employment and/or passed the probationary period. Bates Township reserves the right to accept and/or reject any and/or all applications. If you are interested, send your resume to: Bates Township, Attn Clerk, 3070 US 2, Iron River, MI 49935. Deadline is until filled.

Village of Alpha

Seeking an individual to fill the position of Village Foreman. This is a permanent part-time position, starting at 30 hours per week. The foreman supervises village laborers and takes direction from street administrator, water operator, and village president. Applicants must possess supervisory experience, general mechanical, and equipment operational skills. These skills will be used for general maintenance and repair of village facilities and vehicles, prepare monthly reports, and attend monthly village meetings. Previous experience working with water and sewer systems, street maintenance, and property maintenance is helpful. Ongoing education for licensing will also be required for the following: CDL, Lagoon License (L-1), Water Distribution (S-2), and Water Limited Treatment (D-4) within the first two years of employment. All course fees will be paid by the village, hourly wage will increase as the number of licenses acquired increases. Starting wage will be based on experience and qualifications. Applications are available at the village hall or submit a resume and letter of interest to: Village of Alpha, PO Box 85, Alpha, MI 49902 or villageofalpha@yahoo.com
